Ipperwash Community Design Plan

Open House

August 8, 2015

The community is invited to review the preliminary Ipperwash Community Design Plan concepts in an open house format. There will be opportunity to provide written comments regarding the design plan concepts and future direction for the Draft Master Plan. On hand, there will also be a review of the exercise results from the previous community session. SKA will be available to answer any questions.

Your participation is important to the “preferred” Ipperwash Community Design Plan.
